

Processi	T esecuzione	T di attesa	T esecuzione dopo attesa
P1	3	2	1
P2	2	1	0
P3	1	0	0
P4	4	1	2

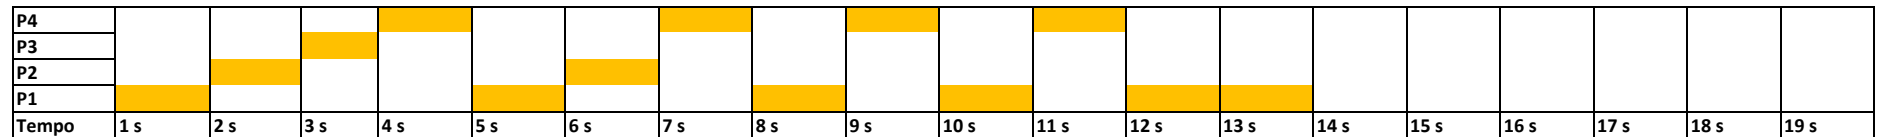

#### Monotasking

#### Multitasking

#### Time sharing

Dai grafici possiamo osservare come dal punto di vista del tempo impiegato, il multi-tasking e il time-sharing sono due metodi egualmente efficienti.
